Alan Amin is the GOAT, challenging course but I would definitely recommend
Thank you, this class was so helpful!
Great job at explaining concepts.
Incredible teacher
Super great instructor who shared us macarons! Yummy!
Thank you for the semester! The lectures are quite helpful and even though the quizzes were stressful, the cheat sheets helped preparing for them. I hope assignment gradings can be more clear. Still, I'm very grateful to have you teach this class and really learned a lot!
I really like how Professor Amin codes in class. It makes everything really clear and it explains things well.
